The warning will be issued through email, text messages, phone calls, fire alarm notification systems, public address systems, web pages, social media, and a voice mail box. The President of TCAT-Hohenwald should be contacted to initiate a timely warning. Timely warnings may also be issued by the President’s designee.

Preparation of Disclosure of Crime Statistics [34 CFR §668.46(b)(2)(ii)] (All Campuses)

The Vice President prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The full text of this report can be located on our website at www.tcathohenwald.edu. The report is prepared in cooperation with the local law enforcement agencies surrounding our main campus and alternate sites. Campus crime, arrest, and referral statistics include those reported to the campus officials and local law enforcement agencies. Upon completion of the Annual Security Report, an e-mail notification is made to all faculty and staff and a campus cast is made to all enrolled students that provide the website to access this report. Copies of the report may also be obtained from the Vice President's office located at 813 West Main Street, Hohenwald, TN 38462 or by calling (931) 796-5351.

Voluntary Confidential Reporting of Crimes [34 CFR §668.46(b)(2)(iii)] (All Campuses)

The TCAT does not have procedures for voluntary, confidential reporting of crime statistics, except in cases of sexual misconduct. Violations of the law will be referred to law enforcement agencies and, when appropriate, to the appropriate disciplinary committee for review. When a potentially dangerous threat to the college community arises, timely reports or warnings will be issued. All reports will be investigated.

TCAT-Hohenwald encourages anyone who is the victim, witness or one who has knowledge of any crime, to promptly report the incident. The confidentiality of persons reporting criminal activity can be requested and will be respected when possible but cannot be ensured pending the nature of the crime reported.

Security and Access [34 CFR §668.46(b)(3)] (All Campuses)

During business hours, the college will be open to students, parents, employees, contractors, guests and invitees. During non-business hours access to all college facilities is by key, if issued. Some facilities may have individual hours, which may vary at different times of the year. In these cases, the facilities will be secured according to schedules developed by the person responsible for the facility. Emergencies may necessitate changes or alterations to any posted schedules.

Safety and security have been considered in the landscape and lighting of the campus. Any maintenance needs are reported to Maintenance Supervisor, (931) 796-5351, Ext. 138 or Assistant Maintenance Supervisor, (931) 796-5351, Ext. 135. Any identified security concern will be evaluated by maintenance personnel. These evaluations examine security issues such as landscaping, locks, alarms, lighting, and communications.

Campus Law Enforcement Authority [34 CFR §668.46(b)(4)(i)] (All Campuses)

TCAT staff members do not possess arrest power. Criminal incidents are referred to the local law enforcement agencies that have jurisdiction on the campuses. The TCAT personnel maintain a highly professional working relationship with the local law enforcement agencies in the communities of each campus location. All crime victims and witnesses are strongly encouraged to report the crime to a CSA and the appropriate police agency immediately. Prompt reporting will assure timely warning notices on-campus and timely disclosure of crime statistics.

Memorandum of Understanding (MOU) with Local Law Enforcement [34 CFR §668.46(b)(4)(i)] (All Campuses)

The TCAT staff at each campus location maintains a close working relationship with their local law enforcement agencies. There is not a written memorandum of understanding between the TCAT and law enforcement agencies at each campus location.

Encouragement of Accurate and Prompt Crime Reporting [34 CFR §668.46(b)(4)(ii)] (All Campuses)

The campus community (students, faculty and staff) are to report any criminal behavior or suspected criminal acts promptly to the Vice President, (931) 796-5351 for investigation. In the event an emergency is occurring, call 911 to obtain immediate assistance from local law enforcement agencies, and then contact the Vice President. It is a core objective of the TCAT to maintain a safe environment for the entire campus population and public visitors. To ensure this, each person must take the proper reporting of criminal activity seriously and act promptly.

All incident reports are forwarded to the TCAT-H President for review and potential action. Local law enforcement will investigate a report when it is deemed appropriate. Additional information obtained via the investigation will also be forwarded to student services and/or human resources.

If you are the victim of a crime and do not want to pursue action within the college system or the criminal justice system, you may still want to consider making a confidential report. With your permission, the law enforcement agency can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With such information, the TCAT can keep an accurate record of the number of incidents involving students, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the institution's annual crimes statistics.

Community members, students, faculty, staff, and guests are encouraged to report all crimes and public safety related incidents to the Vice President in a timely manner. Your promptness in reporting a crime increases the chance of the suspect being apprehended and preventing future criminal activity.

Security Awareness Programs for Students and Employees [34 CFR §668.46(b)(5)] (All Campuses)

Security Awareness Programs are taught during student and new employee orientations. The orientation is an overview of the campus, policies, procedures, and the many resources available to all those on campus. Students and Employees are encouraged to become a part of the security program by looking for any security issues on campus and making those issues known to the front office. All campuses of TCAT-H are exclusively commuter campuses. Efforts are made to ensure adequate lighting is available in all breezeways, hallways, and parking areas to contribute to an overall safe learning and working environment.

Programs Designed to Inform Students and Employees About Prevention of Crime [34 CFR §668.46(b)(6)] (All Campuses)

TCAT-Hohenwald uses many avenues to make students and employees aware of security procedures to help prevent crime. Some of these include the Student-Right-to-Know, New Employee Orientation, Student Orientation, Student Handbook and the TCAT-H Website. TCAT-H has hosted additional Crime Prevention Programs such as DUI Awareness, Crime Prevention Safety, Crime Stoppers, and Drunk Goggles.

Monitoring Off-campus Student Organizations [34 CFR §668.46(b)(7)] (All Campuses)

The TCAT does not have officially recognized student organizations with off-campus locations.

A. Penalties for Violation

1. Legal Sanctions under Federal, State or Local Law

Various federal, state, and local statutes make it unlawful to manufacture, distribute, dispense, deliver, sell, or possess with intent to manufacture, distribute, dispense, deliver or sell, controlled substances. The penalty imposed depends upon many factors which include the type and amount of controlled substance involved; the number of prior offenses, if any; whether death or serious bodily injury resulted from the use of such substance; and whether any other crimes were committed in connection with the use of the controlled substance. Possible maximum penalties for a first-time violation include imprisonment for any period of time up to a term of life imprisonment, a fine of up to \$4,000,000, supervised release, any combination of the above or all three. These sanctions are doubled when the offense involves either: (1) distribution or possession at or near a school or college campus; or (2) distribution to persons less than 21 years of age. Repeat offenders may be punished to a greater extent as provided by statute. Further, a civil penalty of up to \$10,000 may be assessed for simple possession of "personal use amounts" of certain specified substances under federal law. Under state law, the offense of possession or casual exchange is punishable as a Class A misdemeanor; if there is an exchange between a minor and an adult at least two (2) years the minor's senior, and the adult knew that the person was a minor, the offense is classified a felony as provided in T.C.A. 39-17-417. (21 U.S.C. 801, et. Seq.; T.C.A. 39-12-417) It is unlawful for any person under the age of twenty-one (21) to buy, possess, transport (unless in the course of his or her employment), or consume alcoholic beverages, wine or beer, such offenses being classified as Class A misdemeanors punishable by imprisonment for not more than 11 months, 29

days, or a fine of not more than \$2,500, or both. (T.C.A. 1-3-113 and T.C.A. 57-5-301) It is further an offense to provide alcoholic beverages to any person under the age of twenty-one (21), such offense being classified a Class A misdemeanor. (T.C.A. 39-15-404) The offense of public intoxication is a Class C misdemeanor punishable by imprisonment of not more than 30 days or a fine of not more than \$50, or both. (T.C.A S39-17-310)\

Policy Statement Addressing Substance Abuse Education [34 CFR §668.46(b)(10)]

A. General

Drug and Alcohol Awareness

The TCAT is committed to raising the awareness of students and employees of the health risks associated with the use of illicit drugs and the abuse of alcohol.

A synopsis of those health risks is presented below.

B. Alcohol

Alcoholism is a complex, progressive disease that interferes with health, social and economic functioning. Untreated alcoholism results in physical incapacity, permanent mental damage and/or premature death. Alcohol is involved in one-third of all suicides, one-half of all traffic accidents and one-fourth of all other accidents and is involved in over 50% of all arrests. Alcohol is the third leading cause of birth defects involving mental retardation. Use during pregnancy may cause spontaneous abortion, various birth defects or fetal alcohol syndrome. Drinking is implicated in cancer, heart disease, gastrointestinal disease and other illnesses. Alcoholism has been estimated to reduce life expectancy by twelve years. Alcohol Beverage can damage all body organs, leading to liver, heart and digestive problems, circulatory system interference, change in personality, reproductive problems and central nervous system disorder such as poor vision, loss of coordination, memory loss, loss of sensation, mental and physical disturbances and permanent brain damage. The physical and psychological changes that occur as a result of addiction to alcohol can pave the way for addiction to pharmacologically similar drugs.

C. Illicit Drugs

The use of illicit drugs results in many of the health risks that are involved with alcohol use. Illicit drug use increases the risk of mental deterioration, death from overdose, physical and mental dependence or addiction, hepatitis and skin infections from needle use, psychotic reactions, inducement to take stronger drugs, brain damage, danger of flashback phenomenon, hallucinations, unconsciousness, deep depression, distortion of time and space, permanent damage to lungs, brain, kidneys and liver, death from suffocation or choking, anemia, amnesia, AIDS and other infections. If used excessively, the use of alcohol and drugs singly or in certain combinations may cause death.

D. Counseling, Treatment and Rehabilitation Programs

The Vice President will assist students and/or employees by providing information concerning treatment resources in the surrounding area and assisting individuals in making initial contact with treatment providers. Regular employees may also use the Employee Assistance Program (EAP) provided by Magellan Health Services by calling (855) 437-3486 or on the web at <http://www.tn.gov/finance/article/fa-benefits-eap>. Information concerning the EAP is available in the front office of the main campus.

Sexual Misconduct [34 CFR §668.46(b)(11)] (All Campuses)

Sexual misconduct is a form of sex discrimination prohibited by Title IX. The TCAT is committed to eliminating any and all acts of sexual misconduct and discrimination on its campuses. As set forth in this policy, sexual misconduct includes dating violence, domestic violence, stalking, and sexual assault. The TCAT strictly prohibits these offenses.

Stalking—a willful course of conduct involving repeated or continuing harassment of another individual that would cause a reasonable person to feel terrorized, frightened, intimidated, threatened, harassed, or molested, and that actually causes the accuser to feel terrorized, frightened, intimidated, threatened, harassed, or molested.

Sexual Misconduct Educational Programs And Campaigns [34 CFR §668.46(b)(11)(i)]

The TCAT will engage in comprehensive educational programming to prevent sexual misconduct. Educational programming consists of primary prevention and awareness programs for all incoming students and new employees and ongoing awareness and prevention campaigns for students, staff, and faculty that:

1. Identifies domestic violence, dating violence, sexual assault and stalking as prohibited conduct;
2. Defines what behavior constitutes domestic violence, dating violence, sexual assault and stalking;
3. Defines what behavior and actions constitute consent to sexual activity;
4. Provides safe and positive options for bystander intervention that may be carried out by an individual to prevent harm or intervene when there is a risk of domestic

violence, dating violence, sexual assault and stalking against a person other than the bystander;

5. Provides information on risk reduction so that students and employees may recognize warning signs of abusive behavior and how to avoid potential attacks; and
6. Provides an overview of information contained in the Annual Security Report in compliance with the Clery Act.

Procedures Victims Should Follow If A Sex Offense Occurs [34 CFR §668.46(b)(11)(ii)]

If you are a victim of a sexual assault, your first priority should be to get to a place of safety. You should then obtain necessary medical treatment. The TCAT strongly advocates that a victim of sexual assault report the incident in a timely manner. Time is a critical factor for evidence collection and preservation. An assault can be reported directly to 9-1-1 or to a local law enforcement agency. If the victim wishes to make a confidential notification, the victim should follow the procedure outlined below for confidentially reporting sexual misconduct. The victim may be assisted by campus authorities in notifying local law enforcement. The victim should contact the Student Services Director or the Title IX Coordinator for assistance.

A victim has the right to decline to notify local law enforcement. However, filing a police report with a local law enforcement agency will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions from officers. Filing a police report will:

- ensure that a victim of sexual assault receives the necessary medical treatment and tests, at no expense to the victim;
- provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical/legal exam); and
- ensure the victim has access to confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention.

When a victim of sexual misconduct presents to the TCAT, the institution will provide written information about the importance of preserving evidence that may assist in proving that the alleged criminal offense occurred or may be helpful in obtaining a protection order. The TCAT will also provide written notification to students and employees about existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, and other services available for victims, both on our campus and in the community. The TCAT will further provide written notification to victims about options for, and available assistance in, changing academic, transportation, and working situations. The TCAT must make such accommodations if the victim requests them and they are reasonably available, regardless of whether the victim chooses to report the crime to local law enforcement.

Protection from abuse orders may be available through TNCOURTS.gov, with forms found at: www.tncourts.gov/programs/self-help-center/forms/order-protection-forms, and additional information related to such orders may be found at www.tncoalition.org/resources/legal-resources.html.

Regardless of whether an offense occurred on or off campus, the TCAT will provide a student or employee a written explanation of their rights and options when a student or employee reports to the institution that they have been a victim of dating violence, domestic violence, sexual assault, or stalking.

Reporting Sexual Misconduct [34 CFR §668.46(b)(11)(ii)]

The TCAT encourages victims of sexual violence to talk to somebody about what happened so they can get the support they need and so the TCAT can respond appropriately. Though reports will be kept as confidential as possible, the TCAT cannot guarantee the confidentiality of every report or complaint. The following provisions detail the confidentiality options available to individuals.

A. Reporting Confidentially

If a victim chooses to report an incident of sexual misconduct in a confidential manner, the victim can report the incident to a licensed counselor who is required by Tennessee State law to maintain confidentiality of a victim:

Centerstone
912 Summertown Hwy
Hohenwald, TN 38462
931-796-5916

B. Filing an Institutional Complaint

Reports of acts of sexual misconduct to any other employee of the TCAT must be reported to the Title IX Coordinator, and the TCAT will take immediate and appropriate steps to investigate what happened and to resolve the matter promptly and equitably.

1. The TCAT shall not share information with law enforcement without the complainant's consent or unless the victim has also reported the incident to law enforcement.
2. Before a complainant reveals any information to an employee, the employee must ensure that the complainant understands the employee's reporting obligations.
3. If the complainant wants to maintain confidentiality, the employee must direct the victim to confidential resources as detailed in Section A above.
4. If the complainant wants to tell an employee what happened but also maintain confidentiality, the employee must advise the complainant that the TCAT will

consider the request, but cannot guarantee that it will be able to honor it. In reporting the details of the incident to the Title IX Coordinator, the employee will also inform the Coordinator of the complainant's request for confidentiality.

5. In addition to all other employees on campus, an institutional complaint can be filed directly with either or both of the following:

Title IX Coordinator	Student Services
Randy Young, Vice President	Andrea Cooper
813 West Main St	813 West Main St
Hohenwald, TN 38462	Hohenwald, TN 38462
Administrative Office	Administrative_Office
randy.young@tcathohenwald.edu	andrea.cooper@tcathohenwald.edu

C. Filing a Criminal Complaint

Contact local law enforcement where the assault occurred. The local law enforcement agency will determine the subsequent steps. An advocate from Centerstone or the TCAT's Title IX Coordinator can assist in the reporting process.

D. Filing an Anonymous Complaint

Filing an anonymous report will assist the institution with compiling statistical information that can call attention to the number of incidents that occur at the TCAT. If the survivor's identity is not known, no subsequent appropriate services will be made available. The suspect will not be notified that a report was filed if no name is revealed. The report will be sent to the Title VI Coordinator for recording and tracking of incidents on and around the TCAT.

To file an anonymous report, send the report by mail to:

Title IX Coordinator
813 West Main Street
Hohenwald, TN 38462

- E. The TCAT will, to the extent possible, complete publicly available record-keeping, including Clery reporting, without identifying information about the victim.
- F. The TCAT will, to the extent possible, maintain as confidential any accommodations or protective measures provided to the victim, to the extent that maintaining such confidentiality would not impair the ability of the institution to provide the accommodations or protective measures.

Investigation Requirements And Procedures [34 CFR §668.46(b)(11)(ii)]

- B. All proceedings will include a prompt, fair, and impartial investigation and result. The College will provide the respondent and complainant equitable rights during the investigative process.

- C. All complaints of sexual misconduct shall be presented to the Title IX Coordinator or designee for investigation and appropriate disposition, subject to the confidentiality policy.
- D. Mediation between the complainant and respondent will never be considered an appropriate resolution in sexual misconduct cases.
- E. Initiating an investigation
 1. Immediately upon receipt of a complaint, the Title IX Coordinator shall communicate with the complainant to identify and implement any reasonable interim measures necessary. Absent good cause, within three (3) business days of receipt of a report of sexual misconduct the Title IX Coordinator or designee shall attempt to get a written statement from the complainant that includes information related to the circumstances giving rise to the complaint, the dates of the alleged occurrences, and names of witnesses, if any. The complainant should complete a complaint form and submit a detailed written report of the alleged incident.
 2. When the complainant chooses not to provide or sign a written complaint, the Title IX Coordinator or designee will investigate to the extent possible and take appropriate action.
 3. In addition to immediate interim measures, the Title IX Coordinator shall consider what, if any, interim measures may be necessary during the pendency of the investigation.
 4. Complaints made anonymously or by a third party will be investigated to the extent possible.
 5. After consultation with TBR General Counsel, if the Title IX Coordinator determines that the complaint contains an allegation of sexual misconduct, the Title IX Coordinator shall follow the procedures set forth in this policy to investigate and adjudicate the complaint.
 6. The Title IX Coordinator may appoint a qualified, sufficiently trained person to investigate the allegations made in the complaint.
 7. Only one person shall be identified as the investigator for a complaint, though the investigator may have a second person present during interviews to take notes.
 8. Investigations shall be conducted by officials who do not have a conflict of interest or bias for or against the complainant or respondent.
 9. If the complainant or respondent believes the assigned investigator has a conflict of interest, that party must submit a written explanation of the reason for that belief to the TCAT-H President. The explanation must be submitted within three (3) business days, absent good cause, of the time when the party knew or should have known the facts that would give rise to the alleged conflict of interest. The President will determine if the facts warrant the appointment of a different investigator and respond to the party in writing within three (3) business days, absent good cause. The decision of the President shall be final.
- F. What the investigation should and should not entail

1. Once the investigator receives the complaint, the investigator shall notify the victim (Complainant) in writing of his/her rights and request a meeting.
2. The investigator shall also notify the accused (Respondent) in writing of the complaint and his/her rights and request a meeting with the respondent.
3. The investigator shall notify the complainant, respondent and all individuals interviewed during the investigation that retaliation is strictly prohibited and may be grounds for disciplinary action. In addition, the investigator shall advise all interviewees that they should contact the investigator immediately if they believe they are being retaliated against.
4. The investigation shall include interviews with both the complainant and respondent, unless either declines an in-person interview.
5. The complainant and respondent shall be provided with the same opportunities to have others present during any interview, including the opportunity to be accompanied by the advisor of their choice to any related meeting or proceeding.
6. The TCAT will not limit the choice of advisor for either the complainant or respondent.
7. The investigation shall include interviews with relevant witnesses identified by the complainant and respondent or any other potential, relevant witness made known to the investigator via other means.
8. The investigation shall include the gathering and reviewing of any documentary, electronic, physical, or other type of relevant evidence.
9. The investigator is expected to request a list of relevant witnesses and evidence from complainant and respondent and take such into consideration.
10. The investigator shall not consider any evidence about the complainant's prior sexual conduct with anyone other than the respondent. Evidence of a prior consensual dating or sexual relationship between the parties by itself does not imply consent or preclude a finding of sexual misconduct.

Outcome Of Investigation And Determination Of Appropriate Action

- A. Upon completion of the investigation, the investigator shall prepare a written report that includes the allegations made by the complainant, the response of the respondent, corroborating or non-corroborating statements of the witnesses, review of other evidence obtained, conclusions that may be drawn from the evidence gathered, and recommendations about the disposition of the matter.
- B. It is the responsibility of the investigator to weigh the credibility of all individuals interviewed and to determine the weight to be given to information received during the course of the investigation.
- C. The report shall be delivered to a designated "decision maker."
 1. The Vice President if the respondent is an employee;
 2. The Student Services Director if the respondent is a student

- D. After review of the report the decision maker shall make a determination based on a preponderance of the evidence presented as to whether or not a violation of this policy occurred.
- E. The decision maker's determination shall be communicated in writing simultaneously to the complainant and respondent, along with notice to the parties of their right to request an institutional hearing on the determination that a policy violation did or did not occur.

Timeframe For Conducting The Investigation

- A. Every reasonable effort shall be made to conclude the investigation and resolve the complaint within sixty (60) calendar days following receipt of the complaint. Within this sixty (60) day timeframe, absent good cause, it is expected that the investigator will conclude the investigation, that the investigator will present a report to the, and that the investigator will notify the parties in writing of decision maker's determination.
- B. If the investigator or decision maker determines that additional time is needed, both parties shall be notified in writing of the delay, the anticipated date that the investigation will be concluded, and the reasons for such delay.
- C. If either party determines that additional time is needed, that party shall request such in writing to either the investigator (if the decision maker has not yet made a determination). The written request for additional time shall include the reasons for the requested delay and the number of additional days needed.
- D. The investigator shall make every reasonable effort to respond to the request for additional time within two (2) business days following receipt of the request and shall notify both parties in written as to whether or not the request is granted.

Institutional Hearing [34 CFR §668.46(b)(11)(vi)]

- A. Either party may request an institutional hearing on the determination that a policy violation did or did not occur by providing written notice of the request to the investigator within ten (10) business days of receipt of the decision makers' decision.
- B. If a request is not received within ten (10) days, the decision maker's determination is final.
- C. The hearing may be held before either a hearing officer or hearing committee. The President shall determine whether to proceed with a hearing officer or hearing committee and shall appoint individuals to serve in those capacities.
- D. If the complainant or respondent believes the hearing officer has or the hearing committee member(s) have a conflict of interest, that party must submit a written

explanation of the reason for that belief to the appropriate decision maker. The explanation must be submitted within three (3) business days, absent good cause, of the time when the party knew or should have known the facts that would give rise to the alleged conflict of interest. The decision maker will determine if the facts warrant the appointment of a different investigator and respond to the party in writing within three (3) business days, absent good cause. The decision of the decision maker shall be final.

- E.** If such a hearing is requested, every reasonable effort shall be made to conclude the hearing and resolve the appeal, including any appeal to the President, within thirty (30) days following the TCAT's receipt of the party's request for a hearing
- F.** The parties to the hearing may not engage in formal discovery.
- G.** Each party is entitled to have an advisor of choice available; however, the advisor may not participate in the proceeding other than to render advice to the party.
- H.** The TCAT will not limit the choice of advisor for either the complainant or respondent.
- I.** The complainant and respondent shall be timely notified of all meetings relevant to the proceeding.
- J.** The hearing officer or chair of the hearing committee shall control the procedures of the hearing with due consideration given to the parties' requests related to procedures such as, but not limited to, limitations on cross-examinations, recesses so the parties may consult with their advisors, and scheduling of hearings.
- K.** The hearing officer or hearing committee shall use a preponderance of the evidence standard when reaching a decision.
- L.** Absent good cause, within five (5) business days of the close of evidence, the hearing officer or committee shall issue a written determination as to whether or not a violation of this policy occurred and the justification for this decision.
- M.** Each party shall be simultaneously notified of the hearing officer or committee's decision in writing, which shall include notice of their rights to appeal the hearing officer's or committee's determination to the President.

Appeal Of Hearing Decision

- A.** If either party chooses to appeal the hearing officer's/committee's decision, the party shall notify the investigator in writing of the decision to appeal within five (5) business days of receipt of the hearing officer's/committee's determination.
- B.** If a written request for appeal is not received within five (5) days, the decision of the hearing officer/committee is final.

- C. The appealing party(ies) must explain why it is believed the factual information was incomplete, the analysis of the facts was incorrect, and/or the appropriate legal standard was not applied, and how this would change the determination in the case.
- D. The President will issue a written response to the appeal as promptly as possible. This decision will constitute the TCAT's final decision on the complaint.

Effect Of A Finding Of A Violation Of This Policy [34 CFR §668.46(b)(11)(vii)]

- A. If a final decision has been made that a policy violation occurred, the respondent shall be referred to the appropriate personnel for a determination of discipline.
- B. The appropriate personnel will be determined by the status of the respondent. For example, if the respondent is a student, then the matter may be referred to the Student Services Director. If the respondent is an employee, the matter may be referred to the Vice President.
- C. If the respondent is a student, the TCAT will follow the procedures for disciplining students as described in Student Handbook, page 29.

Existing On & Off-campus Counseling Services for Victims of Sexual Misconduct [34 CFR §668.46(b)(11)(iv)]

It is important that victims understand the value of obtaining and/or receiving help in dealing with the crime committed against them. Although TCAT-Hohenwald encourages victims to seek out

help, it does not provide mental health counseling services for students, staff, or faculty. Victims are encouraged to contact a pastoral or professional counselor to assist them. One professional counseling service victims can contact is Centerstone at 931-796-5916.

Sex Offender Registration [34 CFR §668.46(b)(12)] (All Campuses)

In accordance to the *Campus Sex Crimes Prevention Act of 2000*, which amends the *Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act*, the *Jeanne Clery Act* and the *Family Educational Rights and Privacy Act of 1974*, the TCAT is providing a link to the Tennessee State Sex Offender Registry. This act requires institutions of higher education to issue a statement advising the campus community where law enforcement information provided by a State concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a state to provide notice of each institution of higher education in that state at which the person is employed, carries a vocation, or is a student. Members of the campus community may obtain the most recent information received from the Tennessee Bureau of Investigation (TBI) concerning sex offenders employed, enrolled, or volunteering at this institution from the TBI's website listing of sex offenders located at http://www.tbi.state.tn.us/sex_ofender_reg/sex_ofender_reg.shtml.

Unlawful use of the information for purposes of intimidating or harassing another is prohibited and willful violation shall be punishable as a Class 1 misdemeanor.

Emergency Response and Evacuation Procedures [34 CFR §668.46(b)(13)]

The TCAT maintains a plan for each campus. Please see links below for complete plan/procedures.

www.tcathohenwald.edu

Each of these plans document the procedures that the individual campus will use to immediately notify the campus community of significant emergencies or dangerous situations involving threats to human health or safety of students or employees occurring on campus.

In the event of a serious incident that poses an immediate threat to members of the TCAT community, the TCAT has various systems in place for communicating information quickly. Some or all of these methods of communication may be activated in the event of an immediate threat to the campus community. These methods of communication include email, text, and public announcements.

The TCAT will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.

The TCAT conducts emergency preparedness drills to test the emergency response and evacuation procedures of each facility at all campuses on an annual basis. The results of each of these drills are recorded documenting the date and time of each drill.

Missing Student Notification Procedures [34 CFR §668.46(b)(14)]

The Department of Education requires under 34 CFR §668.46(b)(14) that any institution that provides any on-campus student housing facilities must include a statement of policy regarding missing student notification procedures for students who reside in on-campus student housing facilities in its annual security report. The TCAT does not provide any on-campus student housing facilities.

Violence Against Women Act (VAMA) [42 CFR §13925 to 14045 (114-38)]

The Violence Against Women Reauthorization Act (VAWA) was signed into law March 7, 2014 and imposes new obligations on colleges and universities under its Campus Sexual Violence Elimination Act (SaVE Act) provision. The SaVE Act provision, which amends the campus crime provisions of the Higher Education Act, expands the information colleges must incorporate into their annual crime reports to include acts of domestic violence, dating violence, and stalking.

No reported incidents for 2019.
