

First Trimester Textbook / Product List – Practical Nursing

Day Class

Students are welcome to purchase textbooks for this program through the bookstore or on their own. If a student wishes for the bookstore to order his/her books and have them waiting on him/her to purchase on the first day of class, he/she must **contact the bookstore or practical nursing department directly and confirm the order.** Financial aid may be used to purchase textbooks through the bookstore. Here is a list of textbooks and supplies needed for the first trimester along with estimated prices.
